COMPREHENSIVE

OMNI Builders Risk coverage is one of the most comprehensive property insurance policies on the market today.

Our policy covers the standard perils such as fire, lightning, windstorm and theft of building materials, but we also offer catastrophe coverage for flood and earthquakes.

OMNI Builders Risk is designed for construction projects up to \$750,000; however, higher limits are available subject to approval.

Our standard deductible is \$500, but **OMNI Builders Risk** coverage may be written with optional deductibles of \$1,000, \$2500 or more for larger construction projects.

CONVENIENT

OMNI Builders Risk is the most convenient way to obtain required property coverage for your construction project.

Our policy is a master contract owned by your lending institution. Your project is insured by an endorsement to their master contract.

Your lender requests coverage for your project online to **OMNI Builders Risk** and pays the premium via electronic funds transfer.

You are named as an additional insured for the full appraisal value of your building for up to 24 months.
